Popham State Park

You could WIN a Maine State park pass!

## Win a State park pass Sign up for eBill and AutoPay today

This summer, relax and let our convenient payment options take care of your bill. You won't have to lift a finger. And, for each payment option you enroll in **you'll be entered to win one of 10 Maine State park passes** so you can enjoy your summer even more!

With **eBill**, our online billing service, you can view up to 36 months of bills online, group multiple bills to make one payment and print your bills whenever you need to! No matter where you are or what time it is, **eBill** is always available.

Let **AutoPay** do the work for you. Simply set your payment preferences and your secure payment will be made on time each month automatically. It's that easy!

Visit [cmpco.com](http://cmpco.com) and enroll in one or both of our payment options by July 3, 2017 for your chance to win a Maine State park pass!

*Contest details: Enrollments received after July 3 will not qualify for the drawing on July 6. 10 winners will be randomly selected from all CMP customers using our eBill and AutoPay service. Enrollment in eBill and AutoPay will automatically enter you in the drawing — no other actions are necessary. Customers currently using eBill and Autopay are already entered to win. The winner will be notified directly. The winner's name may be published in future CMP publications. Employees of CMP, AVANGRID and their immediate families are not eligible.*

## Manage your energy use on the go

If you're planning time away this summer, our **FREE Usage Alerts** can help you see your energy use while you're gone. Powered by your smart meter, with **FREE Usage Alerts** you can:

- Receive weekly updates of electricity being used in your home
- Get an alert if changes in your daily usage are detected
- Receive an alert if you exceed a set amount of usage or cost

Once you know how much electricity you're using, our **FREE Energy Manager** can help you save.

- View your energy use by task, such as lighting and cooling
- Get free energy-savings tips
- Learn simple changes to the way you use energy to help you save
