

We've reduced tree-related outages by 30%

We work year-round to reduce tree-related outages so we can deliver safe, reliable power to you. In fact, we've reduce tree-related outages by 30% since 2008 by the careful and precise work we do when trimming trees in Maine.

Our licensed Arborists work with qualified Tree Care crews and meet the high standards of the Tree Care Industry Association, and our efforts are paying off.

Mei-Ling, CMP Arborist, helps to preserve the natural beauty of Maine and bring reliable service to CMP customers.
