

Central Maine Power Company
Reconnect after Fire or Flood Certification

Owner's Release

I, _____, certify that I am the owner, manager or sole tenant of the building identified below.

I also certify that I have requested Central Maine Power Company ("CMP") to reconnect the electricity to said building.

I agree to release and indemnify CMP, and its directors, officers, employees, agents, successors and assigns from any injury, damage or claim resulting from CMP reconnecting the electric power to said building.

I acknowledge that CMP will rely on the certifications and agreements stated in the Owner's Release to reconnect the electricity to said building.

I also acknowledge that CMP may notify the municipality of the request to disconnect and reconnect the electricity to the building. I understand the municipality may inspect the building.

Location of Building: _____

Signature of Owner, Manager or Tenant

_____ Date

Electrician's Safety Certification

I, _____, certify that it is safe for Central Maine Power Company to reconnect the electricity to the building identified below. I also certify that I am licensed to perform electrical work in the state of Maine and my license number is stated below. I acknowledge that Central Maine Power Company will rely on these certifications to reconnect the electricity to said building. I also acknowledge that CMP may notify the municipality of the request to disconnect and reconnect the electricity to the building. The municipality may inspect the building.
