

## Spring into action!

### Make SimplePay and AutoPay work for you.

**SimplePay** makes it easy for you to plan. We'll calculate a monthly payment based on your average monthly electricity usage over the past year, so that you get a bill for the same amount each month. We'll also periodically review your account to make sure your payment amount is still accurate for your usage.

With **AutoPay**, we'll automatically process your payment so you don't have to! It's safe, secure and convenient.

Enroll in Usage Alerts and you'll be able to text USAGE to 267898 anytime for an update.

## You can't go back in time, but you can change your energy future

The amount of energy you use can vary day to day for a variety of reasons. Understanding your past and present energy use can help you manage future bills. We have tips and resources to help you reduce your energy use while maintaining your comfort.

### FEATURE OF THE MONTH

**Weekly Usage Alerts.** Powered by your smart meter, you can receive weekly updates to better understand your energy use and costs. Our **Usage Alerts** deliver your usage, estimated cost, and daily averages for your current billing period, putting you in control. Get started at [cmpco.com/alerts](http://cmpco.com/alerts).

# New look to your bill

You may have noticed a change on your bill this month if you receive your bill electronically. Your supplier information and charges are now in **BLUE**. CMP delivers the electricity you purchase from an electricity supplier and, for your convenience, the supplier's charges are included in your CMP bill every month.

We have made this change to help you find this information quickly and easily each month. Knowing who your supplier is and how much they charge for your usage is a great tool when trying to manage your energy costs. You can use this information to shop for a supplier that may offer you a rate more suitable to your needs.

Visit [maine.gov/mpuc/regulated-utilities/electricity](http://maine.gov/mpuc/regulated-utilities/electricity) for more information about current suppliers.

You have chosen to purchase your electricity supply from: **Standard Offer**.

Rates for electricity supply are not set by CMP yet we are required to bill and collect them on behalf of your Supplier.

## Tree Care helps deliver reliable service

We use a variety of techniques to clear trees, branches and shrubs from our lines. If you prefer that we don't use herbicides on transmission corridors next to your property, we won't. With a Landowner Maintenance Agreement, you have the option of clearing trees and shrubs on your own.
