

Our free tools put you in control of your energy bill

- **Reduce your use** – Understand and manage your electricity use with **Energy Manager** and **Usage Alerts**. Powered by your smart meter, **Usage Alerts** will send you weekly updates of your energy use, an alert if you exceed a set amount of usage or cost and notify you of big changes in your daily use. Add **Energy Manager** to view your energy use online and get tips for managing your electricity to help reduce your bill. Sign up for both at cmpco.com.
- **Reduce your cost** – Shop for your supplier. You have a choice of energy suppliers and may select a supplier and price that works for you. Visit "Choose a Supplier" under "Account" at cmpco.com to start shopping today.
- **Check out our payment plans** – If you are facing challenges with your bill, we can help. We offer affordable payment plans to help you get caught up and manage your bill. Please call us at **800.750.4000** so we can help.

COVID-19 Relief: Funds are available to help with rent and utility bills

If you rent your home and need assistance with your electric bill, funding is available through Maine's **Emergency Rental Assistance Program**. This program is an excellent opportunity for anyone who has struggled during the COVID-19 pandemic to get help catching up on rent and utility bills.

You may be eligible for assistance if you meet all of the following:

- You rent your home, apartment, or the lot that your home is on.
- One or more people in your household has had financial trouble during the pandemic.
- You are having difficulty paying your rent or utilities.

For more information or to apply for help, please visit mainehousing.org.

Outage Alerts – so you can plan

We are continuously working to improve our electricity delivery system so we can deliver power to you through even the most severe weather.

When a powerful storm strikes, **Outage Alerts** will keep you informed, so you'll know if you have time for a board game or puzzle before the lights come back on!

- Get the information you need, your way, so you can be informed during any storm.
- Choose how you want to receive your alerts: text, email, phone, or all three.
- Check the status of an outage anytime from anywhere by simply texting **STATUS** to **267898**.
- Receive an alert confirming power has been restored.

Visit cmpco.com to enroll today.

CMP Alert: Outage
at/near 123 MAIN ST
Estimated restore: 10/15
08:15 AM
Customers out: 235

Smart savings tips

Here are some easy actions you can take to save on your electricity bill.

- Sign up for Energy Manager and Usage Alerts at cmpco.com to know your weekly, daily and hourly usage.
- Install a smart thermostat to easily match temperature settings with your schedule.
- Change your home lighting to LEDs.
- Clean or replace filters in your furnace or heat pump so they run more efficiently.

Find more energy-savings tips by visiting cmpco.com and clicking on Smart Energy, then on Energy Savings Tips under Efficiency Resources.

Button up your home

Now is the ideal time to do a home energy assessment to find ways to save on your energy costs.

Efficiency Maine is offering a \$400 rebate when you hire a professional residential registered vendor to do six hours of draft sealing and conduct an energy assessment. That means you can receive \$600 worth of work for only \$200.

If you decide to hire a registered vendor to insulate your home, **you could receive an additional \$3,000 in insulation rebates**. Qualified households are eligible for rebates from \$600 to \$9,600.

You can find registered insulation and air sealing professionals at efficiencymaine.com or call us at **866.376.2463** to learn more.

For convenience, ease and safety, give eBill a try today
