BUILDING A SUSTAINABLE ENERGY FUTURE FOR MAINE

Universities, communities, nonprofits, and local governments across Maine are exploring new ways to produce renewable electricity using natural resources. With the Maine Renewable Resource Fund, you can make a tax-deductible contribution in support of these initiatives — one that helps protect Maine’s environment.

The donations received are distributed by Efficiency Maine to support cost-effective renewable energy technologies and provide grants for renewable energy education projects around the state. Complete and mail in this form to contribute to the fund.

YES! I'd like to keep Maine's environment clean by exploring the use of new renewable resources. Please add the following amount to my electricity delivery bill each month*:

\$1 \$5 \$10 \$_____ Other amount

OR

Enclose a check for \$_____ as a one-time donation.

Please make the check payable to Central Maine Power Company and write "Renewable Resources Fund" in the memo line on the check.
