Together we can help feed those in need

Now is the time to go paperless with **eBill**. For every **eBill** signup we receive in November and December, we'll donate \$1.00, up to \$2,500, to Full Plates Full Potential.

Full Plates Full Potential is a nonprofit working to end child food insecurity in Maine by increasing access to school breakfasts and lunches as well as afterschool and summer meals.

With **eBill** you can:

- View and pay your bill securely online
- Receive an email as soon as your bill is ready
- View your previous eBills

Your **eBill** signup will help end child food insecurity in our communities.

Control and comfort this winter – here's how!

As the days get shorter and temperatures get colder, you can take control of your energy use while you stay warm and comfortable.

Here are some easy actions you can take to decrease your energy use.

- Sign up for **Energy Manager** and **Usage Alerts** at cmpco.com to easily monitor and control your energy usage.
- Install a smart thermostat to easily match temperature settings with your schedule.
- Change your home lighting to LEDs.

Find more energy-savings tips by visiting cmpco.com/UnderstandYourUsage.

We can help

If you are facing challenges with your energy bill, you are not alone. We can help.

- **Help is available.** Maine Homeowner's Assistance Fund is accepting applications and has already provided nearly \$225,000 in assistance to homeowners who need help. We also have programs and services to help you manage your electricity bills. Visit cmpco.com/HelpWithBill to view our complete list.
- Please call us at **800.750.4000** to talk with us about our affordable payment plans.
- We also recommend calling **211 Maine** or visiting 211maine.org and your local **Community Action Agency (CAA)**.
- You can also manage the price you pay for the supply portion of your energy bill by shopping for your energy supplier. Visit cmpco.com/choice.

“Mom – do we have time to play a game?”

Mom knows if there's time for a board game before the power comes back on because she can plan with **Outage Alerts**.

You, too, can stay informed if the power goes out. Receive notifications with the latest information about your power outage when you sign up for **Outage Alerts** at cmpco.com/alerts.

Mainers helping Mainers

We're up to the challenge!

CMP employees turned out this past fall in Lewiston for the Dempsey Challenge 5K/10K run walk and ride events.

They raised more than \$9,000 toward the Dempsey Center's \$1.6 million goal.

The Dempsey Center helps make life better for people impacted by cancer by providing a haven of support to cancer patients, their loved ones, and care partners—all at no cost. The center offers personalized care through counseling, support groups, nutrition, integrative therapies, movement and fitness, and more.
