2024 ISO New England Inc. Transmission, Markets and Services Tariff
Docket No. ER20-2054
Maine Public Utilities Commission (MPUC)
Data/Information Request No. 1

July 25, 2024

MPUC-CMP-1-21

Q: Please identify any expense associated with a lease that is included in the wholesale transmission formula rate other than the actual lease payment made to lessors.

A: \$35,258 of ancillary costs associated with a lease was recorded in 2023.

A portion of this amount was included in the transmission formula rate as these costs are Administrative and General Expense allocated to transmission through the wages and salaries allocation factor.
